Describe the relation of the above state program to the focus areas indicated above:

For CEUs that are not preapproved for CLCP/CCLPC:

Attach Conference Agenda Attach certificate of completion

Activity Type:

Conference Workshop Seminar Inservice Publication Presentation
 I wish to re-test in lieu of maintenance hours

Fee Schedule:

The renewal fee is \$250. There is an additional Commissioner Review Fee of \$10 for every non-preapproved training program, class, conference, and/or workshop. The CHCC incorporated a fee-cap of 50 regardless of how many programs are to be reviewed beyond 5 non-preapproved programs. Thus, the maximum fee for renewal is \$250 for all 80 hours of preapproved programs (48 hours for those who remain on the 3-year recertification schedule), or \$300 maximum for a review of 6 or more non-preapproved programs.

Example 1: A CLCP recertificant submits 80 hours that are part of 4 non-preapproved programs for CLCP renewal. This person's renewal fee totals \$250 plus \$40 for a review of the non-preapproved programs, for a total renewal fee of \$290.

Example 2: A CLCP recertificant submits 48 CEU hours for review as they are still on the old 3-year renewal cycle. The applicant submits 3 preapproved conference recert-forms that total 38 hours, and 2 non-preapproved program recert-forms that total 10 hours, bringing the total CEU hours to 48. Thus, the applicant's fee totals \$250 for the basic renewal fee and \$20 for the review of the 2 non-preapproved programs, or \$270.
