CLCP/CCLCP Refresher & Exam Review

Dr. V. Robert May, President of the International Commission on Health Care Certification, is pleased to announce its schedule of live and interactive CLCP/CCLCP webinars designed to review examination elements, and serve as a refresher course for certified life care planners. Student candidates enrolled in a pre-approved life care planning program and eligible to sit for the CLCP/CCLCP certification exam, will benefit from this exam review. CLCP and CCLCP health care providers interested in obtaining CEUs for their credential renewal can earn 8 Ethics CEUs for participation in this engaging review and refresher course.

Dr. May will cover essential components of the knowledge domains assigned to the life care planning service delivery as revealed through the ICHCC's most recent survey research. Participants will have the opportunity to hold discussions at the end of each review session. Please note the schedule of webinars with registration instructions on the second page of this flyer.
